3. That on Friday, 12/14/12, at approximately 0935 hours, Newtown Police Department received a 911 call from a caller at the Sandy Hook Elementary School, 12 Dickinson Drive in Newtown, CT. The caller reported that an active shooting situation was occurring at the Sandy Hook Elementary School.

4. That as a result of the 911 call, numerous law enforcement personnel including members from the Newtown Police Department and the Connecticut State Police responded to Sandy Hook Elementary School, in Newtown. Upon arrival, law enforcement personnel conducted a search of the interior and exterior of the school. Investigators located CT registration 872YEO, a 2010, black colored Honda Civic unoccupied and parked in the fire lane directly in front of the school. The registered owner for the Honda Civic is Nancy Lanza, DOB 09/06/60, 36 Yogananda Street in Sandy Hook, CT.

5. That as investigators entered the school numerous school children and school personnel were located deceased from apparent gunshot wounds in the first three classrooms located off the main hallway, adjacent to the school's front entrance. That investigators also located a teenaged white male dressed in military style clothing, wearing a bullet proof vest lying deceased on the floor in the middle classroom. That the deceased male was in possession of several handguns as well as a military style assault weapon.

6. That law enforcement personnel including members of the Connecticut State Police, Emergency Service Unit, responded to the residence of Nancy Lanza at 36 Yogananda Street in Sandy Hook, CT. Upon arrival at Lanza's residence, Connecticut State Police Emergency Service Unit gained entry into the house and located a deceased middle aged white female lying in a supine position on a bed in the 2nd floor master bedroom. The white female sustained an apparent gunshot wound to her forehead. Investigators located a rifle on the floor near the bed.

7. That investigators conducted a further search of a residence, and no other people were inside the house. A vehicle (Connecticut registration 593XGR, 2009 BMW, color silver, registered to Nancy Lanza) was noted as being located parked within the garage of the residence, which is located attached and under the residence. The house, including the vehicle, has been secured by investigators for the preservation of evidence.

8. That the Affiants have personal knowledge, based upon their experience and training, that crimes of violence involve a struggle, a break, the use of weapons and other instrumentalities, and/or the element of unpredictability; the person or persons participating in the commission of a violent crime is/are in contact with physical surroundings in a forceful or otherwise detectable manner; there is often an attempt to alter, destroy, remove, clean up, or cover up evidence of a crime. That traces may be left in the form of blood, semen, saliva, physiological fluids and secretions, hair, fibers, fingerprints, palm prints, footprints, shoe prints, weapons and firearms including pistols, rifles, revolvers, shotguns, knives, hatchets, axes, cutting instruments and cutting tools,

blunt force instruments, projectiles, ammunition, bullet casings and fragments, gunshot residue (GSR), dirt, dust and soil, paint samples, glass and plastic fragments, marks of tools used to gain access to locked premises or containers and items containing traces of any of the above mentioned articles. Many of the above items are minute and/or microscopic, thus requiring additional specialized examination by forensic science laboratory techniques, such as that performed by the Connecticut State Police Forensic Science Laboratory.

9. That the Affiants also have personal knowledge, based upon their experience and training, that a crime scene, such as described above, will contain physical evidence, hereinbefore itemized, which will aid in establishing the identity of the perpetrator(s), the circumstances under which the crime was committed, and/or which in general will assist in the discovery of the pertinent facts and that such evidence requires a systematic search to locate, seize, record and process. That trace evidence left in the forms mentioned above is easily transferred between participants and inanimate objects such as surroundings, including their home or motor vehicle. That it is reasonable to believe and expect that a person responsible for committing a crime, such as the one described in this affidavit would come in contact with these forms of trace evidence and transfer them to their surroundings.

10. That the Affiants also have personal knowledge that the Department of Public Safety Forensic Science Laboratory located at 278 Colony St in Meriden, CT has the equipment, personnel and expertise necessary to conduct physical examination, scientific testing and forensic analysis, including but not limited to biological and chemical testing, instrumental analysis, firearms, photography, biochemistry, DNA, criminalistics, fingerprints, in order to locate, identify, compare and reconstruct items of evidence and trace evidence to aid in establishing the circumstances of the crime and identity of the participants involved in the crime. The Department of Public Safety Forensic Science Laboratory will use standardized and documented procedures to extract, amplify and detect DNA from evidentiary items and samples taken from known individuals. The resulting DNA profiles from the evidentiary items will be compared to the known individuals' profiles and the results documented in a laboratory report.

11. Based upon the facts and circumstances described above, your Affiants have probable cause to believe that evidence of the crime of murder, in violation of Connecticut General Statute 53a-54c, will be found within 36 Yogananda Street in Sandy Hook, Connecticut, and its curtilage, or upon the person of the deceased middle aged white female, who at this time has not been positively identified.

12. Therefore, your affiants are requesting a Search and Seizure warrant be issued for the residence at 36 Yogananda Street in Sandy Hook, Connecticut, and its curtilage including the aforementioned vehicle within (Connecticut registration 593XGR, 2009 BMW, color silver, registered to Nancy Lanza), or upon the person of the deceased middle aged white female, who at this time has not been positively identified.

Scene Diagram Legend
Homicide: Nancy Lanza
36 Yogananda Street, Sandy Hook CT
December 14, 2012

On December 14, 2012 at approximately 1530 hours, the EDMCS was sent to 36 Yogananda Street in Sandy Hook to investigate a reported homicide. Earlier on this date, Adam Lanza of 36 Yogananda Street, shot his way into the Sandy Hook Elementary School and murdered twenty six people and then shot himself. The CSP SWAT Team subsequently responded to 36 Yogoananda Street made entry into the residence and upon searching the residence, found the deceased body of Nancy Lanza lying in a bed within the master bedroom of the residence. Nancy Lanza had suffered from several gunshot wounds to the head.

Upon my arrival at the scene I was given the assignment of creating a scene diagram. Beginning at approximately 2145 hours I created a rough sketch map of the residence. Evidence location was added to the sketch maps as the search progressed. I used a Stanley Fat Max Tru-Laser while creating the scene diagrams of the residence. This device was compared to a standard tape measure prior to entering the scene and was found to be accurate. On or about January 24, 2013 I completed several diagrams of the scene using the Scene PD 5 program while referring to my notes. The diagrams depict the scene with and without evidence markers. The diagrams were drawn to approximate scale. The table below provides measurements of items of evidence seized within particular rooms.

---- EVIDENCE REPORT ----

(Pick Up & Drop Off Of Evidence - Exhibits #90 & #92 - #94 and data from #58)

ACTION TAKEN:

On 01/02/13 at approx. 1450 hrs., FBI SA Wendy Bowersox gave me one (1) 2GB Cellebrite thumb drive (R 80716) and one (1) DVD (4-NH-2619946), both of which contained the GPS downloaded data from the GPS that was seized during the search of the shooter's residence at 36 Yogananda Street in Newtown. This GPS had been submitted for analysis and the data was subsequently downloaded onto the thumb drive and the DVD. SA Bowersox also provided me with a working copy DVD containing the same data. I then transported these items to Troop A in Southbury where I entered them into evidence in the Sandy Hook School Shooting Investigation (CFS12-00704559 - Refer to Ex. #343). As of this writing, the FBI still has possession of Ex. #58.

On 01/04/13 at approx. 1400 hrs., I picked up Exhibits #90 (Verizon Samsung cell phone), Ex. #92 (BlackBerry Verizon cell phone) and Ex. #94 (Motorola Surfboard cable modem) from Det. Bryan Ferrucci #1421 at the Computer Crime and Electronic Evidence Laboratory at 278 Colony Street in Meriden, CT. I then transported them in my department assigned vehicle (488-WHK) back to Troop A in Southbury where I secured them in the WDMC-A temporary evidence locker at approx. 1620 hrs..

On 02/06/13 at approx. 1500 hrs., I took these exhibits, as well as Ex. #93 (Lynksys Wireless Router) out of the WDMC-A temporary evidence locker and gave them directly to the Troop A Evidence Officer, TFC Lonny Mo #998.

Det. Ferrucci had advised me that upon his forensic examination, no significant data was found on Ex. #93 (Lynksys Wireless Router) or Ex. #94 (Motorola Surfboard cable modem). EVIDENCE EXAMINATION REPORT

Action Taken: On 12-14-12, The Newtown Police Department, along with Troopers from Troop A in Southbury, and numerous other responding Officers/Troopers responded to the school shooting at the Sandy Hook School in Newtown (CFS12-00704559). As a result of that investigation, ESU responded to the suspects (ADAM LANZA) residence at 36 Yogananda St., in Sandy Hook where Lanza's mother Nancy Lanza, was found deceased. The Connecticut State Police – Eastern District Major Crime Squad was requested and assigned the investigation at 36 Yogananda St., in Sandy Hook, CT.

On 02-01-13, I received the attached copies of the Forensic Biology Section Supplemental Report and Firearms Section supplemental report from the Forensic Science Laboratory in Meriden. The Forensic Biology Report indicates numerous swabs were taken from Item #21 (Savage rifle), and forwarded to the DNA Section. The Firearms Section report indicated that the spent shells collected from the second floor bedroom at 26 Yogananda St. (Item #22, Item #65, Item #66, and one with Item #21) were all fired from Item #21 (Savage rifle). The report also states that the four projectiles removed from Nancy Lanza's head during autopsy (labeled 861, 862, 863, and 864) were also all fired from Item #21 (Savage rifle). See attached reports for details.

FORENSIC LABORATORY REPORTS

On Wednesday July 31, 2013 this writer received new reports from the State Of Connecticut Forensic Laboratory.

The Forensic Laboratory Supplemental DNA Report dated May 23, 2013 indicates among other things that the Savage Mark II .22 caliber Rifle and magazine were swabbed by the laboratory. The results of the analysis of the three swabbings were: "Insufficient amplification products were detected…to generate DNA profiles, therefore no comparison could be made for these items.". An unknown DNA profile has been generated from a swabbing of the submitted .22 caliber cartridges submitted with the Savage Mark II. The unknown profile was searched against the Connecticut and National DNA Databases with no matching profiles found. The profile results will be searched against the databases periodically (See Forensic Laboratory Report).

The Forensic Laboratory DNA Section Report II dated 05-29-2013 indicates among other things that additional swabs were taken from the Savage Mark II .22 rifle. Adam Lanza is included as a contributor to the DNA Profile from Swab #4-1S4 (Swab of the left side of the rifle stock). Adam Lanza is also included as a contributor to the DNA Profile from Swab #4-1S6 (Swab of the forend area of the rifle). (See Forensic Laboratory Report).

#13-S2	Known blood, N. Lanza
#14	Swabbing from liver – A. Lanza

RESULTS OF EXAMINATION:

1. DNA was previously extracted and analyzed from item #13-S2 and submission #14 (see DNA Report dated 02/01/13). DNA was extracted from items #4-1S4, #4-1S5, #4-1S6, submissions #40, #41, #42, #43, #44, #45, #46, and #47. DNA was purified according to standard laboratory protocols.

2A. Extracted material obtained from items #4-1S4, #4-1S5, #4-1S6, submissions #40, #41, #42, #43, #44, #45, #46, and #47 was amplified by the AmpF*l*STR Identifiler procedure as described in laboratory protocols. STR alleles were separated and detected by standard laboratory protocols. Insufficient amplification products were detected from submissions #42, #43, #44, #45, #46, and #47 to generate DNA profiles, therefore, no comparisons could be made for these items.

2B. The following results were obtained on the amplified items:

3. Items #4-1S4, #4-1S5, #4-1S6, submissions #40, #41, #42, #43, #44, #45, #46, and #47 were consumed in testing.

CONCLUSIONS:

4. The results are consistent with item #4-1S4 (swabbing – left side of stock area) being a mixture. A. Lanza (submission #14) is included as a contributor to the DNA profile from item #4-1S4. The expected frequency of individuals who could be a contributor to the DNA profile from item #4-1S4 is less than 1 in 7 billion in the African American, Caucasian, and Hispanic populations.

N. Lanza (item #13-S2) is eliminated as a contributor to the DNA profile from item #4-1S4.

5. The results demonstrate that item #4-1S6 (swabbing – forend area of rifle) is a mixture. The results are consistent with a laboratory staff member being included as a contributor to the DNA profile from item #4-1S6.

A. Lanza (submission #14) cannot be eliminated as a contributor to the DNA profile from item #4-1S6. The expected frequency of individuals who cannot be eliminated as a contributor to the DNA profile (at loci D21S11, D13S317, D19S433, vWA, TPOX, and D5S818) from item #4-1S6 is approximately 1 in 9,000 in the African American population, approximately 1 in 640 in the Caucasian population, and approximately 1 in 1,100 in the Hispanic population.

N. Lanza (item #13-S2) is eliminated as a contributor to the DNA profile from item #4-1S6.

SUPPLEMENTAL DNA REPORT II

CONCLUSIONS CONTINUED:

6. The results eliminate N. Lanza (item #13-S2) and A. Lanza (submission #14) as the source of the DNA profiles from item #4-1S5 (swabbing – handle area of rifle), submissions #40 (swabbing from "drivers exterior front door handle"), and #41 (swabbing from "drivers exterior rear door handle").

5. The results eliminate N. Lanza (item #13-S2) and A. Lanza (submission #14) as the source of the DNA profiles from items #3G1 (swabbing – both sides of envelope flap), #3-S2 (swabbing – adhesive side of stamp), and #4-2S2 (swabbing - .22 caliber cartridges).

6. N. Lanza (item #13-S2) and A. Lanza (submission #14) are eliminated as contributors to the DNA profiles from items #2-1S2 (swabbing – trigger of rifle), #2-1S3 (swabbing – pistol grip of rifle), #2-1S4 (swabbing – shoulder stock of rifle), #2-2S1 (swabbing – cartridge "chambered round"), #2-3S2 (swabbing – feed area and side of magazine), #2-4S1 (swabbing – cartridges from magazine), and #3-S1 (swabbing – both sides of Christmas Card).

7. The DNA profiles from items #3G1 (swabbing – both sides of envelope flap) and #4-2S2 (swabbing - .22 caliber cartridges) were searched against the Connecticut and National DNA Databases. On January 7, 2013, a hit was obtained with the Convicted Offender DNA profile from New York State Police Investigation Center DB #NY10011106A (see Hit Notification dated 01/18/2013). No matching profiles were found for item #4-2S2. These profile results will be searched periodically. If another suspect is developed, please notify the examiner as soon as possible.

3. Items #2-1S1, #2-1S2, #2-1S3, #2-1S4, #2-2S1, #2-3S2, #2-4S1, #3-G1, #3-S1, #3-S2, #4-1S1, #4-1S2, #4-2S1, #4-2S2, and #13-S2 were consumed in testing. Submissions #3 and #14 were returned to the submitting agency.

CONCLUSIONS:

4. The results demonstrate that item #2-1S1 (swabbing – forearm of rifle) is a mixture. A. Lanza (submission #14) is included as a contributor to the DNA profile from item #2-1S1. The expected frequency of individuals who could be a contributor to the DNA profile from item #2-1S1 is approximately 1 in 81,000 in the African American population, approximately 1 in 6,900 in the Caucasian population, and approximately 1 in 13,000 in the Hispanic population.

N. Lanza (item #13-S2) is eliminated as a contributor to the DNA profile from item #2-1S1.

SUPPLEMENTAL DNA REPORT

CONCLUSIONS CONTINUED:

5. The results eliminate N. Lanza (item #13-S2) and A. Lanza (submission #14) as the source of the DNA profiles from items #3G1 (swabbing – both sides of envelope flap), #3-S2 (swabbing – adhesive side of stamp), and #4-2S2 (swabbing - .22 caliber cartridges).

6. N. Lanza (item #13-S2) and A. Lanza (submission #14) are eliminated as contributors to the DNA profiles from items #2-1S2 (swabbing – trigger of rifle), #2-1S3 (swabbing – pistol grip of rifle), #2-1S4 (swabbing – shoulder stock of rifle), #2-2S1 (swabbing – cartridge "chambered round"), #2-3S2 (swabbing – feed area and side of magazine), #2-4S1 (swabbing – cartridges from magazine), and #3-S1 (swabbing – both sides of Christmas Card).

7. The DNA profiles from items #3G1 (swabbing – both sides of envelope flap) and #4-2S2 (swabbing - .22 caliber cartridges) were searched against the Connecticut and National DNA Databases. On January 7, 2013, a hit was obtained with the Convicted Offender DNA profile from New York State Police Investigation Center DB #NY10011106A (see Hit Notification dated 01/18/2013). No matching profiles were found for item #4-2S2. These profile results will be searched periodically. If another suspect is developed, please notify the examiner as soon as possible.

RESULTS OF EXAMINATION:

1. DNA was previously extracted and analyzed from item #13-S2 and submission #14 (see DNA Report dated 02/01/13). DNA was extracted from items #4-1S4, #4-1S5, #4-1S6, submissions #40, #41, #42, #43, #44, #45, #46, and #47. DNA was purified according to standard laboratory protocols.

2A. Extracted material obtained from items #4-1S4, #4-1S5, #4-1S6, submissions #40, #41, #42, #43, #44, #45, #46, and #47 was amplified by the AmpF*l*STR Identifiler procedure as described in laboratory protocols. STR alleles were separated and detected by standard laboratory protocols. Insufficient amplification products were detected from submissions #42, #43, #44, #45, #46, and #47 to generate DNA profiles, therefore, no comparisons could be made for these items.

2B. The following results were obtained on the amplified items:

3. Items #4-1S4, #4-1S5, #4-1S6, submissions #40, #41, #42, #43, #44, #45, #46, and #47 were consumed in testing.

CONCLUSIONS:

4. The results are consistent with item #4-1S4 (swabbing – left side of stock area) being a mixture. A. Lanza (submission #14) is included as a contributor to the DNA profile from item #4-1S4. The expected frequency of individuals who could be a contributor to the DNA profile from item #4-1S4 is less than 1 in 7 billion in the African American, Caucasian, and Hispanic populations.

N. Lanza (item #13-S2) is eliminated as a contributor to the DNA profile from item #4-1S4.

5. The results demonstrate that item #4-1S6 (swabbing – forend area of rifle) is a mixture. The results are consistent with a laboratory staff member being included as a contributor to the DNA profile from item #4-1S6.

A. Lanza (submission #14) cannot be eliminated as a contributor to the DNA profile from item #4-1S6. The expected frequency of individuals who cannot be eliminated as a contributor to the DNA profile (at loci D21S11, D13S317, D19S433, vWA, TPOX, and D5S818) from item #4-1S6 is approximately 1 in 9,000 in the African American population, approximately 1 in 640 in the Caucasian population, and approximately 1 in 1,100 in the Hispanic population.

N. Lanza (item #13-S2) is eliminated as a contributor to the DNA profile from item #4-1S6.

SUPPLEMENTAL DNA REPORT II

CONCLUSIONS CONTINUED:

6. The results eliminate N. Lanza (item #13-S2) and A. Lanza (submission #14) as the source of the DNA profiles from item #4-1S5 (swabbing – handle area of rifle), submissions #40 (swabbing from "drivers exterior front door handle"), and #41 (swabbing from "drivers exterior rear door handle").

Answering Machine Audio Recording

Home Phone of 36 Yogananda St. Sandy Hook, CT

Action Taken: On Saturday, December 15, 2012 at approximately 0215 hours I played and simultaneously recorded the messages left on the house telephone answering machine located in the first floor office/den of 36 Yogananda Street Sandy Hook, Connecticut.

The messages were digitally recorded, using an Olympus W5200 PC digital recorder. The recording was subsequently transferred to a Maxell CD-R, which was secured in evidence as item #96. Certificate of Identification

DATE: December 20, 2012

REQUESTED BY: Detective Daniel Cargill
Eastern District Major Crime Squad
Connecticut State Police

SERVICES PERFORMED:

Detective Cargill delivered a set of post mortem fingerprints in a sealed manila evidence envelope with case number CFS-12-00705354 for comparison and examination in order to confirm a tentative identification of a Nancy Lanza with a date of birth of 9/6/60. After a check of the Master Name Index it was determined that a set of fingerprints were on file for a Nancy Lanza with a date of birth of 9/6/60. The State Identification Number associated with Lanza is 30199194. This set of fingerprints was pulled from the file for comparison.

I and State Police Identification Technician 1 Kimberly Myers examined the ridge characteristics of both the post mortem fingerprints and the fingerprints associated with State Identification Number 30199194 to determine the number and similarity of the characteristics as well as to determine if they occupied the same relevant position and area in each fingerprint.

This examination proved that both sets of fingerprints were made by the same individual.

On 12/14/2012 at approximately 1015 hours I responded to the Sandy Hook Elementary School in the Town of Newtown, CT for a reported active shooter incident. I arrived at the school at approximately 1033 hours and observed a large number of emergency vehicles and emergency personnel at the scene. I approached TFC. Paul Macisco #906 and was informed that there was possibly two (2) gunman involved in the shooting incident. Lt. Michael Davis #053 was coordinating response efforts in the parking area of the school, which held numerous parked and unoccupied vehicles. State and local police were conducting searches of the school and evacuating civilian personnel. I directed TFC. Macisco to obtain all of the license plate numbers belonging to the parked vehicles and to be observant of any possible secondary incendiary devices in the area.

I was approached by the Newtown Police Chief, Michael Kehoe, who reported that there were numerous fatalities within the Sandy Hook Elementary School, including both faculty staff and students. Search efforts within the school were ongoing and information suggested that a second gunman was possibly in the surrounding area.

I entered the Sandy Hook Elementary School and was logged into the crime scene by Newtown Police Officer Lorancaitis. I subsequently observed two (2) deceased adult females lying on the floor area within the front lobby of the school in a large pool of blood. I traveled to the left down a hallway whereupon I observed a deceased white male, later identified as Adam Lanza (DOB 04/22/1992), lying on the floor of a classroom on the left side of the hallway. I then exited the crime scene upon being assigned to assume command of a secondary scene located at 36 Yogananda Street in the Town of Newtown.

During a discussion with Chief Kehoe, I asked if he desired the Connecticut State Police Public Information Office to handle media attention, which he then requested and I subsequently contacted Lt. J. Paul Vance #073 to inform him of the request by the Newtown Police Chief. It was subsequently determined that the media staging area would be conducted at Tredwell Park located on Philo Curtis Road in the Town of Newtown.

On 12/14/2012 at approximately 1120 hours TFC. Terry Bellanca #425 and I responded to 36 Yogananda Street in the Town of Newtown. Upon arrival we were met by TFC. David Gutierrez #1404 and TFC. Michael Trotman #617, who had secured a perimeter at the residence along with Newtown Police Officers Michael McGowan and John McCluskey. Troopers Gutierrez and Trotman had obtained information regarding the Lanza

residence from area neighbors upon conducting an adjacent neighborhood canvass.

The residence at 36 Yogananda had been secured from entry by any persons and it was unknown if any additional perpetrators and/or victims were within the residence. I directed security posts at the intersections of Charter Ridge and Bresson Farms Road, respectively. A media staging area subsequently formed at the intersection of Bresson Farms Road and Yogananda Street. The Connecticut State Police Emergency Services Unit was contacted for response to the scene for the purposes of entering and searching the residence located at 36 Yogananda Street.

On 12/14/2012 at approximately 1147 hours I telephoned phone exchange (203) 426-8167, which was assigned to the Lanza residence located at 36 Yogananda Street in Newtown, CT. Upon telephoning the residence I was presented with a voice mail box recorded message. I left a verbal message within the residence and identified my rank, name and affiliation with the Connecticut State Police, requesting anyone in the residence to answer the phone. There was no answer after a period of time and I subsequently ended the phone call.

On 12/14/2012 at approximately 1213 hours Sgt. Palen #270 and Sgt. Bartolotta #161, who are members of the Connecticut State Police Emergency Services Unit arrived at the scene. Aerial Photograph Report

Date and Time of Investigation:
Friday, December 14, 2012 at 0941 hours

Location of Investigation:
Sandy Hook Elementary School
12 Dickinson Drive
Newtown, CT 06482

Action Taken:
On Friday, December 14, 2012, at approximately 1630 hours, I was assigned to take aerial photographs of the Sandy Hook Elementary School located at 12 Dickinson Drive, Newtown as well as the Lanza residence located at 36 Yogananda Street, Newtown. These aerial photographs were needed to aid in the investigation of a shooting at the school earlier that day.

At approximately 1700 hours, Detective James Nolting # 1022 and I arrived at Oxford Airport and met up with State Police Aviation Unit pilots Sgt. James McLain # 220 and TFC William Rochette # 396 and were led to the airfield and boarded the State Police helicopter "Trooper 1." A short time later, we were in the air above the school. While circling the area, I took 71 digital color photographs of the Sandy Hook Elementary School and surrounding areas. After photographing the school, we flew to the Lanza residence at 36 Yogananda Street and photographed the residence and surrounding area. The photographs were taken using a department issued Nikon D300s digital SLR camera with a 16-85 mm f 3.5-5.6 Nikon lens

and at times, a personally owned Nikon 80-200 mm f 2.8 lens.

All of the photographs taken depict the Sandy Hook Elementary School, the Lanza residence and surrounding areas. The photographs were taken from different angles and at different focal lengths to provide different perspectives of the scene. The photographs were copied to a compact disc and sent to the state forensic lab for printing. See attached compact disc containing the above described images.

[redacted] would have contact with Mrs. LANZA when ADAM would have episodes at school. These episodes would last about 15 minutes or so and often would require a call to Mrs. LANZA who would respond from work. ADAM would become withdrawn but did not show any signs of violence during these episodes. ADAM was more likely to be victimized then to act in violence against another person. ADAM LANZA would have a Teacher's Aid with him during the school day. ADAM was "inclusive" in the classroom and would be removed to a special classroom for specialized training.

[redacted] remembers that Mrs. LANZA was a teacher or volunteer and would come from work to respond to ADAM's episodes. [redacted]

[redacted] learned that [redacted] of Newtown had spoken to the media sometime after the shooting incident at Sandy Hook Elementary School. [redacted] spoke to [redacted] and referred them to [redacted].

[redacted] initial decision to speak to the media was based on his belief that he could raise awareness about being observant to warning signs in children's behavior. [redacted] admits he does not have much experience in dealing with the media. Once involved with the media, his message was lost and the media just wanted to concentrate on ADAM. FEDERAL BUREAU OF INVESTIGATION

Date of entry 12/27/2012

[redacted], date of birth (DOB): [redacted] was interviewed at the residence of [redacted]. After being advised of the identity of the interviewing Agents and the nature of the interview, [redacted] provided the following information:

[redacted] NANCY JEAN LANZA (nee CHAMPION; DOB: September 6, 1960), a victim of the December 14, 2012 mass murders committed in Newtown, Connecticut (CT) by gunman, ADAM LANZA, son of NANCY LANZA [redacted]

[redacted]

[redacted]

[redacted] provided the following background information regarding [redacted] NANCY LANZA.

[redacted] advised that NANCY LANZA lives at 36 Yogananda Street, Sandy Hook, Connecticut (CT) with her adult son, ADAM LANZA. [redacted] stated that NANCY LANZA is not employed but does a lot of volunteer work at women's shelters and schools, including at SANDY HOOK ELEMENTARY SCHOOL where the shootings

occurred earlier today. NANCY LANZA would donate clothing to the shelters and refurbish children's bicycles for donation. [redacted] does not know the nature of the volunteer work that NANCY LANZA performed at SANDY HOOK ELEMENTARY SCHOOL and does not think that NANCY LANZA has volunteered there in a long time.

NANCY LANZA attended primary grades in the public schools of Kingston, NH. [redacted]

NANCY LANZA [redacted] had two children while residing in NH: [redacted] and ADAM LANZA, DOB: April 22, 1992, 20 years old.

[redacted]

[redacted] advised that ADAM is "not comfortable interacting with people" and was diagnosed with Asperger's Syndrome, a form of autism. [redacted] ADAM LANZA was in Special Education classes when he

attended school in Sandy Hook, CT. When ADAM LANZA reached puberty, NANCY LANZA took ADAM out of school "because she was nervous about him". ADAM took some classes at the public high school and was a member of the high school Tech Club. ADAM took some college courses (possibly at University of Connecticut?) and NANCY had to drop him off there because ADAM didn't drive. ADAM was always very mature and he did not like school because he thought all of the other kids were immature. NANCY LANZA was extremely private about her son, ADAM, and did not like to talk with family about ADAM's "issues". But NANCY LANZA knew since the time that ADAM was little that he had "issues". [redacted] NANCY LANZA told [redacted] that ADAM was initially diagnosed with autism but later with Asperger's. [redacted] believes that NANCY LANZA was finally able to talk about ADAM over the last couple of years because she had less concern about him now. [redacted] stated that NANCY LANZA had ADAM in mental health counseling but that NANCY never discussed having ADAM on any type of medication.

ADAM LANZA is a vegan after previously being a vegetarian. ADAM is extremely smart. A couple of summers ago, ADAM had a job building computers for some guy. ADAM spent a lot of time on his computer but [redacted] does not think he was a "gamer". ADAM had no real friends. ADAM did not communicate [redacted] via e-mail or Facebook. [redacted]

[redacted]

However, NANCY LANZA had expressed concern about her son, ADAM, to [redacted] in the last couple of years, and as recently as two weeks ago [redacted] NANCY LANZA told [redacted] that she was very worried about what would happen to ADAM if anything ever happened to her. NANCY LANZA told [redacted] that ADAM was

"doing better" but had gotten "weirded out" by Hurricane Sandy which hit the Northeast coast in late October 2012, and that she had to stay in her house with ADAM for several days without electricity because ADAM refused to leave and go to a hotel, and she would not leave him alone. [redacted] stated that she asked NANCY LANZ if she had made any arrangements for ADAM's care in the event that something happened to her [redacted]

[redacted] To [redacted]'s knowledge, ADAM had a good relationship with his mother, NANCY. NANCY was extremely protective of ADAM. NANCY never expressed any concerns about ADAM being violent in any way. NANCY was not afraid of ADAM, but was afraid **for** him.

[redacted]

NANCY LANZA told [redacted] that ADAM had begun driving lately. ADAM had previously not wanted to get a driver's license. NANCY also told [redacted] that ADAM has been taking private classes in Mandarin Chinese with a professor, as well as saxophone lessons, over the last couple of years.

[redacted] has never known ADAM to have a girlfriend or any friends at all.

[redacted]

[redacted] advised that NANCY LANZA often took [redacted] ADAM, target shooting at a local range in CT. NANCY thought it was good for them to learn the responsibility of guns. NANCY LANZA owned several guns and had licenses for them. [redacted]

[redacted]

[redacted] last saw ADAM LANZA eight years ago.

At the conclusion of the interview, SA [redacted] was notified by SSRA [redacted] that, per FBI-New Haven Command Post, NANCY LANZA had been officially identified as a deceased victim of today's mass shootings, and was shot in her home. [redacted]

FOLLOW-UP INTERVEIW OF [redacted] ON DECEMBER 15, 2012:

[redacted] advised that ADAM LANZA attended the SANDY HOOK ELEMENTARY SCHOOL where yesterday's shootings occurred. [redacted] recalled that it was ADAM's first school and that he had some kind of a problem in fourth grade. When ADAM was in middle school grades and had to change classrooms, he couldn't handle it. NANCY LANZA removed him from the public school and enrolled him in a small Catholic school for one year. ADAM did not do well there either and NANCY LANZA home-schooled him after that.

[redacted] advised that NANCY LANZA told her that ADAM had no emotions or feelings; and that ADAM didn't care about birthdays or holidays and thought they were stupid. [redacted] recalled that NANCY LANZA had to get rid of a cat because ADAM was freaked out by it and couldn't handle it.

[redacted]

[redacted] NANCY LANZA told her that her son, ADAM LANZA, had not left his bedroom in three months, and that despite the fact that NANCY and ADAM lived in the same house, NANCY has only been able to communicate with ADAM by e-mail. NANCY LANZA told [redacted] that ADAM had been freaked out by Hurricane Sandy in late October 2012. [redacted] told [redacted] that she had asked NANCY if she was afraid of ADAM and that NANCY had said no. [redacted] told [redacted] that she had urged NANCY LANZA to take some action regarding ADAM. [redacted] told [redacted] that NANCY talked about a plan to relocate with ADAM because ADAM wanted to go back to school. [redacted] advised that NANCY was looking into moving to Washington State or North Carolina. [redacted] told [redacted] that NANCY LANZA had discussed these moving plans with ADAM.

FOLLOW-UP INTERVIEW OF [redacted] ON DECEMBER 22, 2012:

[redacted]

[redacted]

[redacted]

[redacted] stated that she heard on the news that yesterday's victims at SANDY HOOK ELEMENTARY SCHOOL included the school's behavioral therapist, special education teacher, and psychologist. [redacted] wonders if ADAM knew those people and targeted them. [redacted] also wondered if the classroom that ADAM shot children in was one of his former classrooms and if he went into the school with a plan.

[redacted] stated that she heard a news report about NANCY LANZA having recently filed legal documents seeking a conservatorship for ADAM. [redacted] inquired as to whether this has been corroborated by law enforcement. [redacted]

[redacted] believed NANCY's relationship with [redacted] ADAM was good. [redacted] recalled a phone conversation about three years ago with NANCY. [redacted] believed when ADAM first moved to Connecticut he was more of a social kid and would attend various play groups and parties. [redacted] stated as ADAM became older he was more of a loner and an odd kid. [redacted] particularly noticed during the last couple of years ADAM had become more of a loner.

[redacted]

[redacted]

[redacted] stated ADAM loved music and ADAM could also play the saxophone.

[redacted] stated ADAM's demeanor as a teenager was "good but rigid". [redacted] stated ADAM took the board games very seriously and no one could joke around or ignore the rules of the board game when ADAM was playing.

b7A
b6
b7C
b7E

[redacted] stated ADAM liked to use the computer, [redacted]

[redacted] recalled ADAM was very concerned about the environment and ADAM would walk around the island [redacted] picking up trash. [redacted] ADAM liked to spend time outdoors and was a "big hiker" who liked to climb. [redacted] stated ADAM had indicated he wanted to climb every mountain in New Hampshire.

[redacted] was not aware of any sports ADAM participated in at school. [redacted] believed ADAM had been in the Computer Club or the Tech Club at the public high school in Newtown, Connecticut. [redacted] believed ADAM attended the SANDY HOOK ELEMENTARY SCHOOL in Newtown, Connecticut. [redacted] stated NANCY transferred ADAM to ST. ANNE'S SCHOOL at some point during Middle School. [redacted] stated ADAM did not like noise or confusion and ADAM began to have issues in school once he was required to walk to different classes during the school day. [redacted] stated ST. ANNE'S was a smaller school and academically ADAM did well at ST. ANNE'S. In high school [redacted] stated ADAM was home-schooled through the school. [redacted] stated NANCY would take ADAM to the school for advanced courses, but ADAM was not in the mainstream school setting. [redacted] stated ADAM had issues moving through the school between classes, but ADAM could sit through a quiet lecture without a problem. NANCY would take ADAM back and forth to school a couple of times a day to accommodate ADAM's schedule.

[redacted] NANCY had indicated ADAM did not want to go to events with crowds of people. [redacted] NANCY told people that ADAM does not like crowds.

[redacted]

[redacted]

[redacted] vaguely remembered NANCY approaching [redacted] years ago asking for a recommendation for a gun to purchase for protection. [redacted] recommended a Smith & Wesson .38 Snubby to NANCY as a good gun for protection.

Also during the discussion concerning guns, [redacted] vaguely remembered NANCY mentioning something about an AR-15 rifle approximately ten years ago. [redacted] could not recall any other details about this conversation with NANCY.

[redacted]

[redacted] believed the last time they knew of ADAM shooting a gun was approximately six to eight years ago [redacted] ADAM may have shot a .22 rifle.

[redacted] stated during the last couple of years ADAM had been going back to school and was taking courses in the Chinese language. [redacted] believed ADAM was driving himself to the Chinese classes. [redacted] stated NANCY had encouraged ADAM to get his driver's license and ADAM eventually obtained a driver's license even though ADAM really did want to have one. [redacted] stated ADAM loved his mother, NANCY. [redacted] stated she still cannot believe ADAM "was capable of it". [redacted] did not know why ADAM would "go to that school" to conduct the shooting.

[redacted]

[redacted] stated ADAM was very particular about what he would eat. ADAM was initially a vegetarian and then became a vegan. NANCY would frequently cook for ADAM, but ADAM could also cook for himself. NANCY made sure to stock the house with groceries for ADAM.

[redacted] stated during Hurricane Sandy, NANCY's house lost power, but ADAM refused to go to a hotel. ADAM did not want to leave the house and basically shut down. Soon after Hurricane Sandy, NANCY purchased a generator for the residence.

[redacted] also recalled that at some point ADAM worked for a computer repair shop off and on for approximately one or two years. [redacted] stated ADAM was very gifted with computers and ADAM could put together a computer

from scratch using spare parts.

ADAM was diagnosed with Ashberger's Syndrome, a form of autism, in approximately the 8th grade. He left high school in either the 9th or 10th grade, and essentially became a "recluse", shutting himself in his bedroom, playing video games all day. He attended a few courses at Western Connecticut State University, but never attended full time. [redacted]

[redacted] stated that ADAM has no friends, no associates, no girlfriend, but is very "computer savvy", and spends most of his time on his computer. At some point ADAM worked briefly at a computer repair shop in Newtown, but never held any other job, including summer work while still in school.

[redacted] ADAM became very interested in firearms, and at one point considered joining the military. ADAM enjoyed target shooting, [redacted] ADAM and NANCY owned at least four guns; a black AR-15 semi-automatic

.223 rifle, a Lee Enfield .308 rifle, a "semi-automatic" shotgun and a .45cal pistol. [redacted] believed all the weapons had been legally purchased by NANCY, and were registered in her name, but that ADAM actually owned the AR-15, and that all the weapons were kept in a gun safe in ADAM's bedroom closet.

[redacted] advised that ADAM had taken an NRA safety certification course that allowed him to fire the .45cal pistol at the Danbury range, and that to his knowledge ADAM was able to purchase all his ammunition legally.

[redacted] advised that ADAM and NANCY had a "close relationship", and as he had no outside friends, she became the only person ADAM would talk to. Although ADAM spent the majority of his time playing video games, they were non-violent games. His favorite was Super Mario Brothers. Although he often became frustrated at not being able to "express himself", ADAM never became violent. He never used drugs or alcohol, and actually "hated the thought of it". [redacted] could provide no explanation or motive for ADAM's actions.

Narrative

Transfer of 36 Yogananda

On 12/23/2012 I was informed that the residence at 36 Yogananda had not been properly secured or cleaned since the initial incident. I went to the residence and found that this was true. I contacted the FBI and spoke with Kyle Scherrer who authorized Aftermath Specialists to conduct the crime scene clean up. I spoke with Bill Ciaccio (508) 328-4797 the regional supervisor for Aftermath, who said that he would have a crew at the residence the morning of 12/24/12. Redding Chief Fuchs contacted a representative from Home Depot who said that they would be able to come to the residence in the afternoon of 12/24/2012 to board up and secure the exterior.

I was contacted by Mike Harkins (646)241-7422 of Risk Control Strategies indicting that he was contracted by Attorney Mike English who represented the Lanza estate. The identity of Mike Harkins was verified by FBI special agent Michael Zuk, who had been at the EOC with me the week before. Harkins wanted to know when the residence was going to be turned over so that he could schedule security. I spoke with Attorney English (347) 628-9470 who put me in contact with Peter Lanza [redacted] 03 Peter verified that English represented him and Ryan and that the property could be turned over to Risk Control Strategies. English sent me an email verifying his affiliation with the Lanza family.

On 12/24/2012 Newtown officers Hull and Mulhall were at the residence and oversaw the clean up and securement of the residence. They took photos of the exterior of the residence to verify that it was secured. On 12/24/2012, I attempted to contact Peter to notify him that the residence would be able to be turned over later that day, but there was no answer and the ail box was not established. I spoke with Harkins and informed him that the residence would be secured by a police officer til 2359 hours on 12/24/2012 and that he needed to have his security in place by then. He stated he would. I spoke with Michael English and at 1329 hours I sent him an email:

This is to notify you that the residence at 36 Yogananda will be able to be turned over to Risk Control, the private security company the Lanzas had contracted, after 1800 hrs (6:00 pm) tonight 12/24/2012. I have spoken with Michael Harkins (646) 241-7422 of Risk Control and notified him of this. We will have an officer on the property and continue the security detail until midnight tonight, 12/24/2012. The building has been secured and there is a pad lock on one door. The officer on scene will have the key to the pad lock, but if the private security detail does not arrive prior to 2400 hours, the officer will bring and leave the key at the Newtown Police Department Dispatch. DATE/TIME: On Thursday January 3, 2013 at approximately 1100 hours.

ASSIGNMENT: Obtain information on Nancy Lanza's stay at the Mount Washington Resort.

ACTION TAKEN: On the above date and time Detective Jeffery R. Payette and this writer arrived at the Mount Washington Resort Hotel in Bretton Woods, NH. At that time we met with several members of the Mount Washington Resort staff in the Managing Director's office. We met with Resort Manager Calvin Belknap, Loss Prevention Manager Michael B. McHale II and Managing Director Stephen Hilliard.

The resort staff was very cooperative and offered to assist with the investigation. It was confirmed that Nancy Lanza checked in to the resort on December 11, 2012 at 12:10 pm. Based on staff recollection, the issuance of one room key and the documented restaurant meals that appeared to be for one person it is believed that Nancy Lanza stayed at the resort alone and checked out on December 13, 2012 at 12:27 pm. Mr. Hilliard indicated that the resort had printed records of Nancy Lanza's purchases at the resort during her stay. Mr. Hilliard contacted a representative from the Omni Resort legal office and learned that the company required a written request for the release of any paperwork documenting Nancy Lanza's stay at the resort.

Mr. Hilliard further reported that several people had called the resort the week prior claiming to represent various news agencies inquiring about Nancy Lanza's stay at the resort.

[redacted] related that he had been expecting to be contacted by police at some point in light of recent events in Newtown. He was initially guarded during discussions related to [redacted]. He described that it was [redacted] and that Nancy was as well a [redacted]. As we spoke, [redacted] identified that one of his main concerns was the media obtaining the information that he was sharing regarding [redacted]. I explained to [redacted] that our investigation was active and as such we were not releasing such information and related statements by witnesses to the media.

[redacted] further related the he [redacted]. That she went on a trip to New Hampshire Tuesday, December 11th, 2012. [redacted] left for a business trip on Wednesday, December 12th, 2012. He received a text message from Nancy at approximately 2200hrs on Thursday, December 13th in which Nancy informed him that she recently arrived home. That they last talked on Thursday, December 13th, 2012 at approximately 2222hrs. At that time he was in [redacted] and they discussed her trip and his business trip.

[redacted] thereafter texted Nancy Friday morning, December 14th at approximately 1012hrs to say [redacted]. He did not immediately, or shortly thereafter, receive any response from Nancy, which [redacted] described as not being unusual. Later that day, [redacted] boss notified him of the shooting in Newtown. [redacted] searched the topic on- line and contacted family members in Newtown to make inquiries. He then attempted to contact Nancy on her home telephone and cellular telephone just around noon time with negative results. He described that Nancy's home telephone did not ring and went directly to voice mail. Sometime thereafter, [redacted] heard the name "Ryan Lanza" being talked about in connection with the shooting as well the incident taking place at Yogalanda Street. At this point [redacted] called a friend who confirmed Nancy's death.

[redacted] related that he never thought Nancy's son Ryan would be involved in such an incident. He was aware that Nancy had another son, Adam, who suffered from Asperger Syndrome. He never met Adam and had only been inside Nancy's residence once, approximately a year and a half ago. That Nancy never related any incidents in which Adam was violent with her. However, [redacted] felt that Nancy did a lot for Adam to assure that he was happy and appeased.

[redacted] related that during the time that he had known Nancy, she had shared with him that she owned guns and that she had been to a range target shooting with her sons.

In addition to the information contained in [redacted] statement, he verbally related to these Detectives that over the past year Nancy had shared with him her plans to sell her home in Newtown and move to either Washington or North Carolina. That she was originally going to downsize to a smaller

home in Newtown. However, she had conversations with her son Ryan about the idea of moving. [redacted] explained that it appeared that with Ryan living and working out of state and his desire to travel, there was no reason that she should restrict herself to living in Newtown.

According to [redacted], Nancy had planned to have her house painted over this past spring in preparation for putting it up for sale. However, the painting plan did not come to fruition and the sale of the house was postponed. Further, [redacted] related that Nancy knew that she was not going to be able to effectively show / sell her home while Adam was living within. Her plan was to purchase an RV (Recreational Vehicle) to facilitate their move to either Washington State or North Carolina. During their trip, [redacted] related that Nancy would then sleep in a motel / hotel and Adam would sleep in the RV as he would not sleep in a motel / hotel. In this process, she could have Adam out of the house, they could effectuate their move and meanwhile sell her house.

[redacted] related that it was his understanding that if Nancy were to move to Washington State, it was for the purpose of enrolling Adam in a special school that he wanted to attend. If they were to move to North Carolina, it was going to be for the purpose of obtaining employment for Adam and making him more self sufficient. That Nancy had related to [redacted] that she had a friend, "John", who owned a computer technologies business in North Carolina. That John had agreed to mentor Adam and teach him the business. (See Attached Written Statement)

RELATED EVIDENCE:

During my interview with [redacted], he referenced his cellular telephone for obtaining dates and times of communications that he had with Nancy Lanza. He allowed me to view and visually verify the related text message communications. He showed me one text message dated Monday, December 10th, 2012 with a time stamp of 1151hrs. The message was received from Nancy Lanza and related that she had gotten off to a rough start that day. That Adam had "bumped his head" "really bad" and they were dealing with blood at 5:30 in the morning.

I explained to [redacted] that his cellular telephone contained communications known to me, and presumably some communications not yet viewed, that were considered to have evidentiary value. That this information on his cellular telephone could help identify critical timelines related to time of death and possibly identify precipitating circumstances leading up to Nancy's death. As such, I was obligated to seize his telephone at this time and apply for a search warrant to search its contents. I explained that I also could accept [redacted] written consent to search his telephone in which case the process of extracting the related information and returning his telephone could be effectuated this same day. On Sunday, December 16th, 2012 at approximately 1105hrs, [redacted] verbally agreed to provide consent and thereafter completed a written consent form. (See Attached Form)

I thereafter secured [redacted] cellular telephone and transported it the Computer Crime & Electronic Evidence Unit at the Forensic Science Laboratory in Meriden CT. The phone was processed by Trooper George Jupin. At approximately 2110hrs, Trooper Jupin provided me with a DVD containing the data seized from Walsh's cellular telephone. I transported the DVD to Troop L in Litchfield where I packaged and processed the DVD as evidence exhibit #338: One (1) DVD marked "Samsung Galaxy S", containing data extracted from the personal cellular telephone of [redacted]. I completed a JD-CR-18 and Evidence Flow Sheet and secured the exhibit in the CI Temporary Evidence Locker. It was thereafter secured in WDMC Evidence Room. Date & Time of Incident: 12/14/12 between 0930 and 2200 hours

Place of Incident: Sandy Hook Elementary School
12 Dickenson Dr.
Sandy Hook, CT

Summary: Members of the SPTU "West and East" Teams searched the Sandy Hook Elementary School after an active shooting incident where 20 students and 6 teachers were killed.

Agency Assisted: Newtown Police Department
3 Main St.
Newtown, CT

Troop A
90 Lakeside Rd.
Southbury, CT

Action Taken: On the morning of 12/14/12 sniper training was conducted at Brainard Airport in Hartford, CT. Present at the training were the snipers from both East and West tactical teams, Sergeant Palen, TFC Rief and I. Snipers were Sgt. Alogna, Sgt. Dubuc, Sgt. Bistany, Sgt. Cauley, Sgt. Albert, Sgt. Corey, Sgt. Girard, TFC Chapman and TFC Lavoie.

At approximately 0935 hours I received a cell phone call from a team mate, Tpr. Poach. Tpr. Poach advised me that he was enroute to the Sandy Hook Elementary School for an active shooting incident. TFC Poach added that he had been told that a man was inside the school shooting students. Tpr. Poach also provided me with the address of 12 Dickenson Dr. Sandy Hook.

I passed this information along to Sgt. Palen and the rest of the snipers at training. Sgt. Palen confirmed what Tpr. Poach had provided and related that the West tactical team was being called out. At approximately 0940 hours we left Brainard Airport and responded to the Sandy Hook Elementary School.

At approximately 0954 hours, while enroute to the Sandy Hook Elementary School the West tactical team received the callout request via Everbridge messaging.

While enroute several scene updates were received from message center dispatcher's by way of radio broadcasts. Several messages that the scene was still active, multiple gunmen, and numerous DOA victims were received. Just as we arrived a broadcast was received that one gunman was down and searches for a second shooter were being conducted.

The responding team members from sniper training arrived as a group at approximately 1015 hours. We parked alongside the road on Riverside Rd., near the intersection of Dickenson Dr. It was impossible to get any closer because of the large volume of response vehicles blocking Dickenson Dr.

Team members put on their kit and ran up to the school. As we ran towards the school we put together a stack order and hasty search plan. At the front of the school we met up with additional team mates, Troopers Faughnan, Poach, Gomez and Beauton. As we approached the front entrance of the school we could see that the window to the right of the front door was shattered. Broken glass covered the ground beneath the window. What appeared to be bullet casings from a .223 caliber rifle were seen on the concrete patio area. Also observed was a pool of blood and 12, 03 [redacted] on the concrete just outside of the school front door. I entered the school and met with Lt. Perry, who standing in the lobby area outside of the main office. As I was speaking with Lt. Perry, Sgt.'s Alogna and Bistany 13, 14 [redacted]

Inside the office were numerous State Police personnel, including command staff, unknown plain clothes personnel, and uniformed ambulance personnel. I observed a large room to the right of the main office, at the beginning of the right side hallway, was full of what appeared to be first responders, plain clothed troopers wearing raid jackets, uniformed troopers and ambulance personnel. To the right of Lt. Perry were the bodies of two adult females 12, 03 [redacted] Lt. Perry told me that the school had been evacuated and the first few rooms were searched, he pointed to his right at the classrooms that were searched. He stressed that the school had not been cleared. Lt. Perry stated that one shooter was down and that the possibility of a second shooter existed. He also told me that there were numerous police officers posted in the hallways and at entrance/exits within the school. Lt. Perry further stated that he was going to remain where he was and if there was anything I needed to let him know.

Sgt.'s Alogna and Bistany [redacted]. As we moved down the hallway we observed numerous spent .223 rifle casings strewn about the hallway floor and the distinct smell of fired ammunition was present. Also observed in the hallway was a partially filled AR-15 style magazine and several unfired .223 caliber cartridges on the ground.

Numerous dead children and teachers were seen in classrooms 10 and 8. It appeared that many of the children and teachers had been shot in the head and body. [redacted] These classrooms were searched by team members without touching or disturbing any of the victims. In classroom 8 the body of the gunman was found dead of an apparent gunshot wound to the head, lying in somewhat of a fetal position. Yellow ear plugs could be seen in one of his ears and he had two handguns near or on his body. An AR-15 style rifle was also seen on the floor in classroom 8. The rifle appeared to have had a malfunction of some sort. The bolt was out of battery and at least one round could be seen in the chamber area.

Team members continued with their primary sweep and relieved police personnel that were posted in the hallways prior to our arrival. These personnel were comprised mostly of BCI investigators with a few plain clothed officers from surrounding towns. While searching the media center I encountered a female teacher who approached me as I entered the room. She stated that she had been hiding once she heard the shooting. I did not get her name but she is a [redacted] There were some troopers in the hallway as we exited and I passed her along to them who in turn escorted her out of the building. We continued the clockwise sweep of the school and eventually met up with Sgt. Alogna and Bistany.

I radioed to Sgt. Palen in our command post that the primary search was complete and that we were going to start the secondary search. I also requested a master key to open locked doors. I was told that several other team members had arrived and that the FBI SWAT team from New Haven was on scene and would be assisting. The initial search team met up with FBI SWAT and divided up the secondary search efforts. SPTU conducted a secondary search from the main lobby area and swept clockwise, researching the school. Additional team members utilized for the secondary search were; Troopers O'Donnell, Wyler, Lunz, Cook, Basak and

Avery. FBI SWAT conducted a secondary search of the school from the lobby and swept counter clockwise. Both teams eventually met up and continued their searches overlapping what had already been searched by each respective team. It should be noted that although we had a master key numerous doors, cabinets and lockers had to be forced open by pry or push tools because the key did not work. SPTU personnel and FBI SWAT members consolidated outside in front of the school following the searches. I met with Captain Fusaro and Sgt. Palen and reported that primary and secondary searches of the school had been conducted and that the school was secure. Team members remained in the area pending further assignments.

A short time later team members were assigned to search the suspect's residence at 36 Yoganada St. in Newtown. Team members travelled to the area of Yoganada St. and met up with East Team members, RG-12 armoured vehicle and bomb squad personnel. A hasty perimeter was established around the suspect residence with snipers from both teams while an execution plan was being made. Traffic was blocked on Yoganada St. and Newtown police officers were relieved from their positions in the suspect's driveway. Team members approached the suspect residence in the RG-12. We parked in an adjacent driveway and the perimeter consisting of the sniper teams was reinforced by East Team members. The plan was 13, 14 [redacted]e Captain Fusaro advised us that he had received word that people were found alive hiding at the school and that the West team was to report back to the school to research it. The East Team remained on site at the suspect residence and conducted the search efforts. Refer to TFC Rief's supplementary report.

West Team members responded directly back to the Sandy Hook Elementary School and met with Major Meraviglia in the lobby area inside the school, directly in front of the main office. Major Meraviglia stated that he had located two females, 03, 04 [redacted] inside the main office where the command post was located, and demanded that the school be researched.

West Team members along with FBI SWAT personnel researched the school. Primary and secondary searches were conducted. No other individuals were located. Team members remained on scene until approximately 2200 hours.

7.)-Upon arrival to school was assigned to the right-side hallway and began clearing. Cleared cafe/gymnasium, Kitchen and then rooms down hallway until we met up with Team that went left upon arrival, Met up at end of right-side hallway.

School:

Responded to the school. Parked in front of the Fire Dept. Geared up and then went to the school. Went in with initial ESU members and assisted the entry team with room clearing. As more ESU members arrived I was ~~___~~ able to break free and start to provide medical care to the victims. Dr. Kamins (who also arrived on scene) assisted me in checking all of the victims, we found no signs of life on any of the victims present at the scene.

After clearing the school I was instructed to respond with other ESU members to the suspect's residence. I assisted as numerous breach points were made at the residence. Almost immediately after the residence was breached we were instructed to return to the school to re-clear it.

I returned to the school on the RG-12 and assisted in re-clearing the school.

SUPPLEMENTAL REPORT – STATE POLICE TACTICAL OPERATIONS
LANZA RESIDENCE 36 YOGANANDA STREET NEWTOWN, CONNECTICUT

DATE AND TIME OF INCIDENT: On 12/14/12 between 1147 hours and 1755 hours.

PLACE OF INCIDENT: Lanza Residence 36 Yogananda Street Newtown, Connecticut

SUMMARY OF INCIDENT: On 12/14/12 at approximately 0930 hours an Active Shooter Incident occurred at the Sandy Hook Elementary School located at 12 Dickenson Drive Newtown, Connecticut. Twenty (20) school children and six (6) adult faculty members were murdered by Adam Lanza. Adam Lanza subsequently committed suicide during the incident. State Police Tactical Unit (SPTU) West and East Personnel responded to the Active Shooter Incident and conducted Tactical Operations. Upon completion of Tactical Operations at the school, SPTU West and East Personnel, and ESU Bomb Squad Personnel, were assigned to conduct Tactical Operations at the residence of Adam Lanza located at 36 Yogananda Street Newtown, Connecticut. SPTU West and East conducted Tactical Operations at the Lanza residence, clearing and securing the residence. Nancy Lanza, homeowner and mother of Adam Lanza, was located deceased in bed in the master bedroom from an apparent gunshot wound.

ACTION TAKEN: On 12/14/12 while at Sandy Hook Elementary School 12 Dickenson Drive Newtown, Connecticut and shortly after having completed Tactical Operations at an Active Shooter Incident at the school, Captain Fusaro, SPTU Commander and Emergency Services Unit (ESU) Commanding Officer, assigned SPTU West and East Personnel to respond to the Lanza residence 36 Yogananda Street Newtown, Connecticut. Captain Fusaro said Adam Lanza, the deceased suspect in the Sandy Hook Elementary School Shootings earlier that day, resided at this location. Captain Fusaro said Connecticut State Police Personnel had made telephone calls to the residence with negative contact. Further, that no one had located or heard from the parents of Adam Lanza that day. Additionally, there was concern that a second shooter may have been involved in the Active Shooter Incident at the school earlier that day, as reported by some witnesses. This was later determined to be false, as Adam Lanza was the only shooter.

At approximately 1213 hours SPTU West and East Personnel responded to and met at a staging location at the intersection of Yogananda Street and Bresson Farm Road in Newtown (approximately ¼ mile from the residence). Team members were informed that uniformed Newtown Police and Connecticut State Police had set up a perimeter

around the residence. SPTU and ESU Bomb Squad personnel were briefed, and SPTU Sniper/Perimeter Teams were deployed around the Lanza residence at 36 Yogananda Street. A tactical plan was developed to have 13, 14 [redacted] Once completed, SPTU Personnel would enter and secure the dwelling.

At approximately 1230 hours all uniformed personnel were relieved from the perimeter and they were re-deployed to set-up a secured, outer perimeter on Yogananda Street while SPTU conducted Tactical Operations at the residence. At approximately 1235 hours the remaining SPTU Personnel moved to the residence using the RG-12 Armored Vehicle. The RG-12 was positioned in the neighbor's driveway located at 34 Yogananda Street, directly to the south of the Lanza residence. The Lanza residence at 36 Yogananda Street is a two story colonial style home with an attached two car garage. The house was pale yellow in color with dark green shutters (see attached maps).

At approximately 1239 hours SPTU West Personnel moved up to the residence and 13, 14 [redacted] Meanwhile, SPTU East Personnel and the sniper/perimeter teams held the perimeter in direct support of SPTU West Personnel. 13, 14 [redacted]

At approximately 1251 hours, after SPTU West Personnel completed the breaching of doors to the residence, SPTU Personnel were advised that some additional people were found hiding within the Sandy Hook Elementary School Building. Captain Fusaro assigned SPTU West Personnel to return to Sandy Hook Elementary School and conduct another search of the building for additional people. SPTU West Personnel with the RG-12 departed the scene on Yogananda Street, while SPTU West Snipers and all SPTU East Personnel remained at 36 Yogananda Street to continue Tactical Operations. Captain Fusaro returned to Sandy Hook Elementary School with SPTU West Personnel, and Tactical Command at 36 Yogananda Street was turned over to Sergeant Palen, SPTU Deputy Commander-Operations.

At approximately 1304 hours ESU [redacted] 13, 14 At approximately 1325 hours [redacted] 13, 14 At approximately 1329 hours SPTU East Personnel entered the Lanza residence through the front door, searched and secured the first floor and garage area, to include a vehicle, a BMW color silver bearing Connecticut registration 593XGR, located within the garage of the residence. Nothing remarkable was located on the first floor or garage area.

At approximately 1339 hours the first floor had been secured, and SPTU East Personnel [redacted] 13, 14 At approximately 1343 hours while on the second floor landing/hallway at the top of the stairs, SPTU East Personnel and I visually located what appeared to be a middle-aged white female lying supine on the bed in the master bedroom. A rifle was observed in plain view on the floor adjacent to the side of the bed. The female did not respond to verbal direction and she appeared to be deceased with Blood-Like Substance (BLS) on her head and the bedding material. We did not immediately approach the female due to concerns that hazards may be located within the residence as the second floor had not yet been cleared. At approximately 1346 hours I requested to have an ambulance and paramedics respond to the residence and stand-by pending the securing of the residence. [redacted] 13, 14

At approximately 1408 hours SPTU East Personnel re-entered the dwelling, cleared and secured the first floor and then the second floor. SPTU East Personnel entered the master bedroom on the second floor. There, we found a white female, later identified as Nancy Lanza, deceased and lying supine in bed. There was an obvious gunshot wound to the forehead area with BLS on her head and bedding material. There were no life signs present and it appeared that she had been deceased for at least several hours. She was wearing sleepwear and the bed sheets and blankets were pulled up to her chest. A rifle was located on the floor next to the side of the bed. The rifle appeared to be a .22 caliber rifle. There was one spent shell casing that I observed on the floor next to the rifle. It appeared that the female had been ambushed and killed while sleeping in bed. The remainder of the second floor and the attic were searched and secured. I escorted AMR Ambulance Paramedic Dennis Posila into the residence and to the second floor, master bedroom so the presumption of death could be made of the white female - Nancy Lanza. Paramedic Posila made the official presumption of death at approximately 1425 hours.

SPTU East Personnel remained on the first floor, posted at the door that accesses the basement. 13, 14 [redacted] At approximately 1433 hours SPTU East Personnel entered the basement by way of the bulkhead doors, cleared and secured the basement of the residence. A secondary search of the residence was conducted to ensure no other victims were located within the residence. The secondary search of the residence was completed at approximately 1459 hours. At this time the residence was deemed secure, and State Police Major Crime was requested to the scene.

During operations at 36 Yogananda Street, SPTU East Personnel noted that the lights and television were on in the neighboring residence at 34 Yogananda Street. Due to the circumstance and the proximity of this residence to the Lanza residence, there was concern that possible victims could be located within the residence as the residence was unlocked and a vehicle was in the driveway. I notified Sergeant Palen of this, and Sergeant Palen said that the family had been evacuated from their residence by uniform police personnel prior to our arrival on Yogananda Street. Due to safety concerns, SPTU EAST Personnel entered the front door of the residence located at 34 Yogananda Street and cleared and secured this residence as well. No one was found within this neighboring residence.

S. .U Personnel were instructed to collapse the perimeter, and were directed to return to the Sandy Hook Elementary School for further direction. Sergeant Palen, Sergeant Bartolotta and I remained outside and in front of the Lanza residence to maintain security of the residence pending the arrival and scene turnover to State Police Major Crime. I spoke by telephone to Sergeant Quilty of State Police Central District Major Crime while at the residence and related my observations of the scene located within the Lanza residence.

On 12/14/12 at approximately 1735 hours Sergeant John Turner #245 of State Police Eastern District Major Crime arrived at the Lanza residence 36 Yogananda Street Newtown. I briefed Sergeant Turner on SPTU actions at the residence and our plain view observations during the search of the residence, and then conducted a walk-through of scene within the residence. At 1755 hours the crime scene at the Lanza residence 36 Yogananda Street Newtown was turned over to Sergeant Turner and all remaining SPTU Personnel secured from the location and returned to Sandy Hook Elementary School 12 Dickenson Drive Newtown.

Below are additional observations of the Lanza residence at the time we conducted SPTU Tactical Operations and entered the residence. The residence was well maintained and in above average condition inside. The first floor

and second floor were well maintained and very neat and orderly. Other than the doors that were mentioned as being breached by SPTU West Personnel, nothing on the first floor seemed out of ordinary. On the second floor the northeast bedroom (located next to the master bedroom) had more than one rifle case and at least two handgun cases on the floor. There was some clutter in this room as it looked like it was being utilized as storage. The southeast bedroom appeared to be Adam Lanza's bedroom. There was only a bed sheet on the bed and no blankets. The windows were blocked from outside light with what appeared to be heavy black plastic poly sheeting covering all windows in the bedroom. The southwest room had been converted to an office/study area. We found a personal/home computer tower with the internal hard drive removed with this hard drive heavily damaged. It was obvious that this had purposely been done. In the closet of this room was a metal floor standing gun safe with the door to the safe slightly opened. I noted at least one older rifle with a wooden stock inside this safe. A television and Xbox game console were noted in this room as well.

ACTION TAKEN: On 12/14/2012 at approximately 0949 hours, I was assisting Tfc. Derderian #708 with an explosive class at Boehringer Ingelheim Pharmaceutical at 900 Ridgebury Rd, Ridgefield, Ct. While at this location I was notified by CSP HQ Ever-Bridge that there was an active shooting at the Sandy Hook Elementary School in Newton. I informed Tfc. Derderian of the situation and left the facility in my assigned cruiser, silver 2007 Ford Explorer with my lights and siren activated and responded to Sandy Hook School via I-84 E/B.

As I approached the school at approximately 1009 hrs, I observed numerous civilians in the parking lot. I pulled in behind Tpr. Poach and Sgt. Bartalotta and began putting on my assigned tactical gear, [redacted] I informed Tpr. Poach that we'd meet inside. Once I had my gear on I headed to [redacted] of the school, where I observed numerous children running from the school screaming and crying.

As I ran along [redacted], I observed a side door that had a window pane broken out, but the door was closed. I made entry into the school at [redacted] entrance and observed Sgt. Tom Bennett standing post at classroom doorway.

Once in the school I turned right and traversed down [redacted] hallway, back to the [redacted] classrooms. As I approached the [redacted] I observed a SNTF Trooper standing post at the entrance to a classroom. I then observed a 30 round magazine on the floor with several rounds expended from the magazine. I then turned left and traversed [redacted] hallway.

I passed by the classroom at the [redacted] corner where the SNTF Trooper was posted, I observed Lt. Hofbauer at the next classroom doorway, made entry, observed numerous deceased bodies, turned and exited the classroom moving towards the next classroom. I approached the next classroom, observed a deceased male lying on the floor at the classroom entrance. I entered the classroom, observed numerous deceased bodies, turned and exited the classroom moving towards the next classroom. As I approached the next classroom, I observed two deceased females laying in

the hallway. I then entered the next classroom, cleared it visually, observing no children and exited the room. I then approached the front lobby where I observed Lt. Mike Perry.

I spoke with Lt. Perry and informed him that I wanted Officers at every classroom or at the hallways until we had enough officers to cover the classrooms. I further informed him that I and Tpr. Poach were going to clear classrooms visually and physically. I gathered approximately ten officers from numerous towns and divided them into two groups of five with Tpr. Poach leading a group and I the other. While we were stacking in the hallway, someone heard noises in the first classroom, across from the main office.

Tpr. Poach and I entered the classroom and I approached a closed door in the corner which was block with bookshelf. As Tpr. Poach posted on the door, I moved the bookshelf and ordered the individual(s) out of the closet and identifying myself as a State Trooper. After several verbal attempts, I attempted to open the door and observed the door handle was locked. I asked tall police officer from an unknown town for his badge so that it could be slide under the door, so that the individual(s) would know we were the police. I received a master key, I was kneeling, Tpr. Poach was posted over me and the unknown officer was against the wall. I unlocked the door handle, as I attempted to push the door open it was forced close, the unknown officer held the door open once I was able to push it open. When the door opened I observed numerous children in a small bathroom with blonde female teacher holding the children back. The teacher began to yell at me "You're not the police, I don't believe you", she repeated this several times and which time Tpr. Poach grabbed a couple of children and the others followed. As the children exited the bathroom they were passed off to the officers and escorted out of the classroom. I stayed kneeling and the teacher stayed motionless against the bathroom wall, continuously repeating "You're not the police, I don't believe you". Once the last child exited the bathroom I reached in and grabbed the teacher, later identified as Kaitlin Roig and she became hysterical and I physically escorted Roig from the school exiting through a classroom door at the 13, 14 corner.

Once Roig was in the care of a female Trooper I reentered the school and was informed by Lt. Perry that there might be other teachers in lock down in the library area. With Tpr. Poach and several officers from unknown towns we entered the library and directed to another door within the library. As Tpr. Poach and I entered the storage area I made announcements "State Police", observed another door and heard a female voice. I stated that we were the police and

the woman asked "How do I know you're the police?" I told her I would slide a patch under the door, and asked an unknown police officer for his uniformed patch, but several police radios went off and the woman stated that she believed me. She then stated that the door was blocked, I unlocked the door, forced the door open and observed the teacher, later identified as [redacted] [redacted] and nineteen other students in the closet. Again we escorted all the teachers and students out of the school through the [redacted] classroom door.

I then went to the front lobby to gather more officers for a complete search of the school. While at the front entrance I observed several Ct State Police Tactical Team members arriving in the parking lot. I waited until the team was assembled in the school, I took my place as "key master" as I still had the master key. As the team cleared the rooms I opened any unlocked doors. We cleared the school and assembled again outside and I was informed that we were going to the suspect's residence.

Once the suspect's residence I was informed that I would [redacted] look for other suspects, victims or booby traps. The West Tactical team breached several points of entry at the residence and then [redacted] I entered the residence and searched the first floor with negative results for b[illegible]y traps, suspects or victims.

[redacted] and as I searched the rooms, I located a deceased female in a bed and a rifle on the floor. I entered the suspect's room and noticed that the windows were covered in some type of plastic and it was very dark in there. I did not locate any other victims, suspects or booby traps. Once the residence was cleared enough [redacted] the East Tactical team made entry and cleared the residence.

Once the team exited the residence, Tfc. Derderian and myself then entered the residence in our EOD capacity to clear the suspect's room and den/computer room to do a physical search of the draws and closet for possible IED or booby trap materials. We located none in the bedroom. In the den/computer room I located numerous shotgun shells emptied of their smokeless powder, but no components or powders for an IED. While we were searching the residence a UPS delivery truck arrived and we were informed that there was a delivery for the suspect's residence on the truck. I

entered the UPS truck and observed two boxes from a known store. I opened the boxes to ensure that there were no IEDs or other criminal material inside of them. The boxes contained personal products for the residence.

We then left the residence and were requested back at the school for debriefing. We assisted the CI Unit setting up their stations and then left the school at approximately 1830 hrs.

At approximately 2200 hrs, I received a phone call from Tfc. Derderian that the FBI was requesting a bomb tech to assist with the seizure of fireworks at the suspect's father's residence (100 Bartina Ln, Stamford). I arrived and observed a small quantity of illegal fireworks, the FBI evidence team photographed the items and a member of the CSP CI Unit sieved the fireworks. While there the FBI investigators asked me to do a walk thru of the residence for items that might be related the suspect's primary residence. I did not locate anything related the suspect's residence at this location.

or any vehicles parked in the driveway of 36 Yogananda Street. He reported that both garage bay doors were closed (See Brian Karr Witness Report Dated January 10, 2013).

On Friday, December 14, 2012 at approximately 0935 hours, the Newtown Police Department received a 911 call reporting an active shooter at the Sandy Hook Elementary School located at 12 Dickinson Drive Newtown, CT. Law enforcement officers responded immediately and discovered numerous school children and school personnel deceased from apparent gunshot wounds. A white male wearing military style clothing was located deceased on a classroom floor. The deceased white male was in possession of several handguns and a military style assault weapon. The male gun man was subsequently identified as Adam Lanza DOB 04-22-1992. A 2010 black Honda Accord bearing CT registration plate 872YEO was parked unoccupied in the fire lane in front of the school. The registered owner of the vehicle is Nancy J. Lanza DOB 09-06-1960 of 36 Yogananda Street Sandy Hook, CT. As a result law enforcement officers including the Connecticut State Police Emergency Services Unit (E.S.U.) responded to 36 Yogananda Street Sandy Hook, CT to investigate.

Members of The Connecticut State Police E.S.U. arrived at 36 Yogananda Street Sandy Hook, CT. Upon E.S.U. arrival all doors were found locked/undamaged at the residence. At approximately 1239 hours forced entry was made by members of the E.S.U. team. At that time an adult white female, later identified as Nancy J. Lanza DOB 09-06-1960 was located deceased in the second floor master bedroom (See E.S.U. Reports). Nancy Lanza was located supine in the bed of the master bedroom. She was covered with blankets from the waist down. She was wearing a polka dotted pajama shirt, pants and a pair of white socks. Her head was turned south to its side. There was blood on her face running downward from the wounds consistent with her body position. B.L.S., 12 [redacted] was observed on her pajama shirt and around her head on the bedding.

On the floor south of the bed was a black Savage Arms Mark II .22 caliber bolt action rifle. The rifle was purchased on 10-26-2011 and is registered to Nancy Lanza. There was a spent .22 caliber shell casing on the floor next to the rifle. There was a blood like substance (B.L.S.) observed on the muzzle of the rifle. Subsequently a firearm survey was conducted and a spent .22 caliber shell casing was located in the chamber and three live rounds were in the weapon's magazine. The rounds and the shell casings were marked with the letter "C" by the manufacturer.

The second floor southeast bedroom/computer room was later identified as a room utilized by Adam Lanza. During the search of the room a stand alone metal gun safe was located in the closet. The door of the safe was found open. The door and the lock did not appear damaged. An "Enfield" Albion bolt action .303 caliber rifle was in the gun safe. The safe also contained numerous items to include boxes and cans of ammunition. A single gold colored .22 caliber round with the letter "C" stamped on it was located on the floor of the room. The round appears to be the same type of round located in the Savage Arms Mark II Rifle near the body of Nancy Lanza.

On December 16, 2012 Dr. H. Wayne Carver II, Chief Medical Examiner conducted the autopsy of the deceased. The Cause of Death was certified as: Multiple Gunshot Wounds of Head. The Manner of Death was

certified as: Homicide (Post Mortem Examination Report to follow). Four metal projectiles were removed from Nancy Lanza during autopsy for analysis. Four gunshot wounds to Nancy Lanza's head were observed by investigators during autopsy (Refer to Autopsy Observation Report and Images).

A State of Connecticut Forensic Laboratory Firearms Section Lab Report dated January 26, 2013 revealed that the seized Savage Arms Mark II .22 caliber rifle fired the projectiles/bullets removed from Nancy Lanza during autopsy. The report also indicated that the Savage Arms Mark II rifle had fired the spent shell casings found at the scene (See Forensic Laboratory Report). The Savage Mark II .22 caliber rifle was also analyzed for latent fingerprints and DNA evidence by the Forensic Laboratory.

The Forensic Laboratory Latent Print Examination Report dated January 2, 2013 indicates among other things that no identifiable latent impressions were found on the Savage Mark II Rifle, the three live rounds found in the rifle or the spent shell casing found in the rifle (See Forensic Laboratory Report).

The Forensic Laboratory Supplemental DNA Report dated May 23, 2013 indicates among other things that the Savage Mark II .22 caliber Rifle and magazine were swabbed by the laboratory. The results of the analysis of the three swabbings were: "Insufficient amplification products were detected…to generate DNA profiles, therefore no comparison could be made for these items.". An unknown DNA profile has been generated from a swabbing of the submitted .22 caliber cartridges submitted with the Savage Mark II. Adam Lanza and Nancy Lanza were not contributors to the unknown profile. The unknown profile was searched against the Connecticut and National DNA Databases with no matching profiles found. The profile results will be searched against the databases periodically (See Forensic Laboratory Report).

The Forensic Laboratory DNA Section Report II dated May 29, 2013 indicates among other things that additional swabs were taken from the Savage Mark II .22 rifle. Adam Lanza is included as a contributor to the DNA Profile from Swab #4-1S4 (Swab of the left side of the rifle stock). Adam Lanza is also included as a contributor to the DNA Profile from Swab #4-1S6 (Swab of the forend area of the rifle). (See Forensic Laboratory Report).

Based on the above described information it appears that Nancy Lanza was home on December 13, 2013 by 2222 hours and believed to have gone to bed alone in the master bedroom. In the morning hours Adam Lanza retrieved the Savage Arms Mark II .22 caliber rifle from the safe located in the southeast bed room/computer room closet. The investigation revealed that Adam Lanza was familiar with Nancy Lanza's firearms, has had some firearm training and has fired firearms in the past. It appears that Adam Lanza chambered a round into the weapon ejecting the one live round onto the southeast bed room/ computer room floor. Between approximately 0800 and 0900 hours Adam Lanza entered Nancy Lanza's bedroom and shot her four times in the head while she lay in her bed. Adam Lanza left the gun on the floor of the master bedroom near his mother. Adam Lanza locked the residence and then drove Nancy Lanza's 2010 Black Honda Accord to the Sandy Hook Elementary School. At the school he shot and killed twenty students and six teachers. Adam Lanza then committed suicide by gunshot as Connecticut State Troopers arrived at the school.

Gentlemen:

I presume that you are both satisfied with the investigation and do not see a need for EDMC to investigate further.

My review of EDMC's investigation reveals there was only the shooter, Adam Lanza, involved and there were no accessories or co-conspirators.

If you agree that is the case, the investigation is formally closed.

I enjoyed working with you both and was impressed by EDMC.

Steve -

EDMC has not yet closed out their report because they are waiting for your formal approval. If you can get in touch with Sgt. Ruddy or Det. Lamoureux at your earliest convenience and advise them of your conclusions, that will help me wrap up that report. You probably have their contact info, but they are both cc'd on this email as well.

Thanks.

Seth
